

How are you? I am doing well! I want to bring you up to date on what's happening in my life. Here at college, one of my highest priorities has been to grow in my relationship with the Lord. My involvement in Campus Crusade for Christ has helped me grow a lot.

This January, I have a special opportunity to attend a conference in Denver sponsored by Campus Crusade for Christ. The conference features excellent speakers and activities that will challenge me to reach out to others. My faith will be stretched and my walk with God will be strengthened. Additionally, I will spend a day serving the needy and homeless in Denver.

The Denver Christmas Conference is from January 2nd to 7th, and I'm sure it will be life changing for me and those I meet in the Denver area. Last year, as my friends returned from DCC, they shared the ways that they were encouraged and challenged to live passionately for the Lord in college. They said that there was something about spending a week in Denver at this conference that changed their lives. I am excited to see what the Lord will do in my life this year!

In order to attend, I need to develop a financial sponsorship team: a group of people who will help me and other students attend the conference. Would you prayerfully consider making an investment of \$50, \$75, \$100, or some other amount to help me participate in this conference? Of course, however God leads you to give would be the appropriate amount and I am so grateful for any and all assistance that you can contribute. Your gift will assist not only me, but others to be able to experience the Denver Christmas Conference.

I have enclosed a self-addressed envelope to make the reply as easy as possible. If the Lord leads you to help, please make your gift check payable to "Campus Crusade for Christ." All gifts will receive a receipt indicating that the gift is tax-deductible.

Thank you for considering what your role might be in helping make this conference a reality for me and other students our ministry touches.

Sincerely,
